Step 2:

You can enter all the details like First name, Last name and Address etc.

A screenshot of a mobile application's registration screen. The screen has a blue header bar at the top. Below the header, there is a grey rectangular area containing the registration form. In the top right corner of this grey area is a button labeled "IMAGE". The form consists of four text input fields, each with a label to its left: "FirstName" with the value "shanmuk", "LastName" with the value "reddy", "Address" with the value "Kansas city", and "Password" with the value "....". Below the "Password" field is a button labeled "SIGNUP". To the right of the "SIGNUP" button is a pink circular button with a white envelope icon. The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps buttons.
